

First Merchants Corporation Announces 2021 Record Results

January 27, 2022

MUNCIE, Ind., Jan. 27, 2022 (GLOBE NEWSWIRE) -- First Merchants Corporation (NASDAQ - FRME) has reported fourth quarter 2021 net income of \$47.7 million compared to \$45.1 million during the same period in 2020. Earnings per share for the period totaled \$.89 per share compared to the fourth quarter 2020 result of \$.83 per share. Net income for the year ended December 31, 2021 totaled \$205.5 million, compared to \$148.6 million during the same period in 2020. Year-to-date earnings per share totaled \$3.81 compared to \$2.74 in 2020.

Total assets equaled \$15.5 billion as of year-end and loans totaled \$9.3 billion. The Corporation experienced organic loan growth of \$566 million, or 6.6 percent, during 2021. This was offset by the forgiveness of Paycheck Protection Program ("PPP") loans of \$560 million, resulting in net loan growth of \$6 million. Investments increased \$1.4 billion, or 43.8 percent, during the year and now total \$4.5 billion. Total deposits equaled \$12.7 billion as of year-end and increased by \$1.4 billion, or 12.1 percent, during 2021.

The Corporation's Allowance for Credit Losses – Loans (ACL) totaled \$195.4 million as of year-end, or 2.11 percent of total loans. Net charge-offs for the quarter totaled \$4.6 million and no provision expense was recorded during the quarter or during the year ended 2021. Provision expense taken during the three and twelve months ended December 31, 2020 of \$4.5 million and \$58.7 million, respectively, reflected our view of increased credit risk in 2020 related to the COVID-19 pandemic. An increase of \$74.1 million in the ACL was also recorded on January 1, 2021 reflecting the adoption of the current expected credit losses (CECL) model. Non-accrual loans totaled \$43.1 million as of year-end.

Mark Hardwick, Chief Executive Officer, stated, "2021 proved to be a record year on many levels, including total assets, loans, deposits, net income and earnings per share. Our employees, customers and communities showed an incredible amount of toughness, determination, teamwork and compassion for one another during a difficult year. First Merchants' future is bright because of this special combination of heart and grit." Hardwick also added, "It's an honor to lead this First Merchants team and to be part of the dynamic markets that we serve."

Net-interest income totaled \$410.7 million for the year, an increase of \$28.6 million or 7.5 percent, in the face of a net-interest margin decline of 11 basis points to 3.18 percent, reflecting an asset sensitive balance sheet. Yield on earning assets declined by 40 basis points totaling 3.44 percent offset by a decline of 29 basis points in the cost of supporting liabilities, which totaled 26 basis points for the year-ended 2021. Yield on earning assets for the fourth quarter totaled 3.29 percent with cost of supporting liabilities totaling 25 basis points, resulting in a margin of 3.04 percent. PPP loans contributed 8 basis points to margin during the fourth quarter of 2021, which was a decline of 9 basis points from the third quarter 2021 and a decline of 8 basis points from the fourth quarter of 2020, as the pace of PPP loan forgiveness slowed.

Non-interest income totaled \$109.3 million for the year, a \$0.6 million decline from 2020. Customer-related line items accounted for an increase of \$2.6 million, or 3 percent, and was offset by a decline of \$6.2 million on the gains on sales of securities. Fiduciary and wealth management fees hit a record high of \$28.4 million for 2021, which included an increase of \$1 million from the acquisition of Hoosier Trust Company. This was offset by the headwinds of the full year impact of the Durbin Amendment adoption on card payment fees which was effective July of 2020.

Non-interest expense totaled \$279.2 million for the year ended 2021, a \$15.8 million increase from 2020. The increase is primarily due to higher salaries, incentives, and employee benefits costs.

The Corporation's loan to deposit ratio now totals 73 percent and loan to asset ratio totals 60 percent. Additionally, the Corporation's total risk-based capital ratio equaled 13.92 percent, common equity tier 1 capital ratio equaled 11.68 percent, and the tangible common equity ratio totaled 9.01 percent. These ratios continue to reflect the Corporation's strong liquidity and capital positions.

CONFERENCE CALL

First Merchants Corporation will conduct a fourth quarter earnings conference call and web cast at 2:30 p.m. (ET) on Thursday, January 27, 2022.

To participate, dial (Toll Free) 877-806-2932 and reference Conference ID 2169777. International callers please call +1 478-219-0639.

In order to view the webcast and presentation slides, please go to https://edge.media-server.com/mmc/p/i8985qq2 during the time of the call. A replay of the webcast will be available until January 27, 2023.

Detailed financial results are reported on the attached pages.

About First Merchants Corporation

First Merchants Corporation is a financial holding company headquartered in Muncie, Indiana. The Corporation has one full-service bank charter, First Merchants Bank. The Bank also operates as First Merchants Private Wealth Advisors (as a division of First Merchants Bank).

First Merchants Corporation's common stock is traded on the NASDAQ Global Select Market System under the symbol FRME. Quotations are carried in daily newspapers and can be found on the company's Internet web page (http://www.firstmerchants.com).

FIRST MERCHANTS and the Shield Logo are federally registered trademarks of First Merchants Corporation.

Forward-Looking Statements

This release contains forward-looking statements made pursuant to the safe-harbor provisions of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements can often, but not always, be identified by the use of words like "believe", "continue", "pattern", "estimate", "project", "intend", "anticipate", "expect" and similar expressions or future or conditional verbs such as "will", would", "should", "could", "might", "can", "may", or similar expressions. These statements include statements of First Merchants' goals, intentions and expectations; statements regarding the First

Merchants' business plan and growth strategies; statements regarding the asset quality of First Merchants' loan and investment portfolios; and estimates of First Merchants' risks and future costs and benefits. These forward-looking statements are subject to significant risks, assumptions and uncertainties that may cause results to differ materially from those set forth in forward-looking statements, including, among other things: possible changes in monetary and fiscal policies, and laws and regulations; the effects of easing restrictions on participants in the financial services industry; the cost and other effects of legal and administrative cases; possible changes in the credit worthiness of customers and the possible impairment of collectability of loans; fluctuations in market rates of interest; competitive factors in the banking industry; changes in the banking legislation or regulatory requirements of federal and state agencies applicable to bank holding companies and banks like First Merchants' affiliate bank; continued availability of earnings and excess capital sufficient for the lawful and prudent declaration of dividends; changes in market, economic, operational, liquidity, credit and interest rate risks associated with the First Merchants' business; and other risks and factors identified in each of First Merchants' filings with the Securities and Exchange Commission. First Merchants does not undertake any obligation to update any forward-looking statement, whether written or oral, relating to the matters discussed in this press release. In addition, First Merchants' past results of operations do not necessarily indicate its anticipated future results.

⁽²⁾ Tax-exempt securities and loans are presented on a fully taxable equivalent basis, using a marginal tax rate of 21 percent for 2021 and 2020. These totals equal \$5,595 and \$4,644 for the three months ended December 31, 2021 and 2020, respectively.

⁽³⁾ Non accruing loans have been included in the average balances.

⁽⁴⁾ Net Interest Spread (FTE) is interest income expressed as a percentage of average earning assets minus interest expense expressed as a percentage of average interest-bearing liabilities.

⁽⁵⁾ Net Interest Margin (FTE) is interest income expressed as a percentage of average earning assets minus interest expense expressed as a percentage of average earning assets.

- (1) Average balance of securities is computed based on the average of the historical amortized cost balances without the effects of the fair value adjustments. Annualized amounts are computed using a 30/360 day basis.
- (2) Tax-exempt securities and loans are presented on a fully taxable equivalent basis, using a marginal tax rate of 21 percent for 2021 and 2020. These totals equal \$20,585 and \$16,966 for the twelve months ended December 31, 2021 and 2020, respectively.
- (3) Non accruing loans have been included in the average balances
- (4) Net Interest Spread (FTE) is interest income expressed as a percentage of average earning assets minus interest expense expressed as a percentage of average interest-bearing liabilities.
- (5) Net Interest Margin (FTE) is interest income expressed as a percentage of average earning assets minus interest expense expressed as a percentage of average earning assets.
