EXPLANATORY NOTE

First Merchants Corporation is filing this Amendment No. 1 to its Annual Report on Form 10-K for the year ended December 31, 2008 for the purpose of filing copies of its Articles of Incorporation and Bylaws as currently in effect, both of which were amended during the period subsequent to December 31, 2008. This Amendment also serves to update the exhibit description and index in connection therewith. This Amendment is also being filed to correct the inadvertent omission of the signatures of BKD, LLP from the Report of Independent Registered Public Accounting Firm on the financial statements and internal controls filed within Part II, Items 8 and 9A to the initial Annual Report on Form 10-K. Such signatures were contained in the reports actually delivered to First Merchants Corporation on March 16, 2009, but were inadvertently omitted from the filing.

In addition, as required by Rule 12b-15 under the Securities Exchange Act of 1934, as amended, new certifications by the Company's principal executive officer and principal financial officer are filed as exhibits to this Amendment. This Amendment does not reflect events occurring after the date of the initial Annual Report on Form 10-K or modify or update any disclosures that may have been affected by subsequent events. Other than the changes referred to above, all other information in the initial Annual Report on Form 10-K remains unchanged.

PART II: ITEM 8. FINANCIAL STATEMENTS AND SUPPLEMENTARY DATA REPORT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

ITEM 8. FINANCIAL STATEMENTS AND SUPPLEMENTARY DATA.

Audit Committee, Board of Directors and Stockholders
First Merchants Corporation
Muncie, Indiana

We have audited the accompanying consolidated balance sheets of First Merchants Corporation as of December 31, 2008 and 2007, and the related consolidated statements of income, comprehensive income, stockholders' equity and cash flows for each of the years in the three-year period ended December 31, 2008. The Company's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. Our audits included examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of First Merchants Corporation as of December 31, 2008 and 2007, and the results of its operations and its cash flows for each of the years in the three-year period ended December 31, 2008, in conformity with accounting principles generally accepted in the United States of America.

As discussed in Note 19, the Company changed its method of accounting for fair value measurements in accordance with Statement of Financial Accounting Standards No. 157 in 2008.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), First Merchants Corporation's internal control over financial reporting as of December 31, 2008, based on criteria established in *Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO)* and our report dated March 16, 2009, expressed an unqualified opinion on the effectiveness of the Company's internal control over financial reporting.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Audit Committee, Board of Directors and Stockholders
First Merchants Corporation
Muncie, Indiana

We have audited First Merchants Corporation's internal control over financial reporting as of December 31, 2008, based on criteria established in *Internal Control - Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO)*. The Company's management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting, included in the accompanying Management's Report on Internal Control Over Financial Reporting. Our responsibility is to express an opinion on the Company's internal control over financial reporting based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects. Our audit included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. Our audit also included performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions or that the degree of compliance with the policies or procedures may deteriorate.

As permitted, the Corporation excluded the operations of Lincoln Bancorp, a financial institution acquired on December 31, 2008, from the scope of management's report on internal control over financial reporting. As such, this entity has also been excluded from the scope of our audit of internal control over financial reporting.

In our opinion, First Merchants Corporation maintained, in all material respects, effective internal control over financial reporting as of December 31, 2008, based on criteria established in *Internal Control - Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO)*.

We have also audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), the consolidated financial statements of First Merchants Corporation and our report dated March 16, 2009, expressed an unqualified opinion thereon.

PROVISIONS FOR REGULATION OF BUSINESS
AND CONDUCT OF AFFAIRS OF CORPORATION

SECTION 1. MEETINGS OF SHAREHOLDERS. Meetings of shareholders of the Corporation shall be held at such place, within or without the State of Indiana, as may be specified in the notices or waivers of notice of such meetings.

SECTION 2. MEETINGS OF DIRECTORS. Meetings of Directors of the Corporation shall be held at such place, within or without the State of Indiana, as may be specified in the notices or waivers of notice of such meetings. A member of the Board of Directors or of a committee designated by the Board may participate in a meeting of the Board or committee by means of a conference telephone or similar communications equipment by which all persons participating in the meeting can communicate with each other, and participation by these means constitutes presence in person at the meeting.

SECTION 3. CONSIDERATION FOR SHARES. Shares of stock of the Corporation shall be issued or sold in such manner and for such amount of consideration as may be fixed from time to time by the Board of Directors.

SECTION 4. BYLAWS OF THE CORPORATION. The Board of Directors, unless otherwise provided in the Bylaws or in these Articles of Incorporation, may by a majority vote of the actual number of Directors elected and qualified from time to time make, alter, amend or repeal the Bylaws.

The Board of Directors may, by resolution adopted by a majority of the actual number of Directors elected and qualified, from time to time, designate from among its members an executive committee and one or more other committees, each of which, to the extent provided in the resolution, the Articles of Incorporation, or the Bylaws, may exercise all of the authority of the Board of Directors of the Corporation, including, but not limited to, the authority to issue and sell or approve any contract to issue and sell, securities or shares of the Corporation or designate the terms of a series of a class of securities or shares of the Corporation. The terms which may be affixed by each such committee include, but are not limited to, the price, dividend rate, and provisions of redemption, a sinking fund, conversion, voting or preferential rights or other features of securities or class or series of a class of shares. Each such committee may have full power to adopt a final resolution which sets forth those terms and to authorize a statement of such terms to be filed with the Secretary of State. However, no such committee has the authority to declare dividends or distributions, amend the Articles of Incorporation or the Bylaws, approve a plan of merger or consolidation even if such plan does not require shareholder approval, reduce earned or capital surplus, authorize or approve the reacquisition of shares unless pursuant to a general formula or method specified by the Board of Directors, or recommend to the shareholders a voluntary dissolution of the Corporation or a revocation thereof. No member of any such committee shall continue to be a member thereof after he ceases to be a Director of the Corporation. The calling and holding of meetings of any such committee and its method of procedure shall be determined by the Board of Directors. A member of the Board of Directors shall not be liable for any action taken by any such committee if he is not a member of that committee and has acted in good faith and in a manner he reasonably believes is in the best interest of the Corporation.

SECTION 5. CONSENT ACTION BY SHAREHOLDERS. Any action required by statute to be taken at a meeting of the shareholders, or any action which may be taken at a meeting of the shareholders, may be taken without a meeting if, prior to such action, a consent in writing, setting forth the action so taken, shall be signed by all of the shareholders entitled to vote with respect to the subject matter thereof, and such written consent is filed with the minutes of the proceedings of the shareholders.

SECTION 6. CONSENT ACTION BY DIRECTORS. Any action required or permitted to be taken at any meeting of the Board of Directors or any committee thereof may be taken without a meeting, if prior to such action a written consent to such action is signed by all members of the Board of Directors or such committee, as the case may be, and such written consent is filed with the minutes of proceedings of the Board of Directors or committee.

SECTION 7. INTEREST OF DIRECTORS IN CONTRACTS. Any contract or other transaction between the Corporation or any corporation in which this Corporation owns a majority of the capital stock shall be valid and binding, notwithstanding that the Directors or officers of this Corporation are identical or that some or all of the Directors or officers, or both, are also directors or officers of such other corporation.

Any contract or other transaction between the Corporation and one or more of its Directors or members or employees, or between the Corporation and any firm of which one or more of its Directors are members or employees or in which they are interested, or between the Corporation and any corporation or association of which one or more of its Directors are stockholders, members, directors, officers, or employees, or in which they are interested, shall be valid for all purposes notwithstanding the presence of such Director or Directors at the meeting of the Board of Directors of the Corporation which acts upon, or in reference to, such contract or transaction and notwithstanding his or their participation in such action, if the fact of such interest shall be disclosed or known to the Board of Directors and the Board of Directors shall authorize, approve and ratify such contract or transaction by a vote of a majority of the Directors present, such interested Director or Directors to be counted in determining whether a quorum is present, but not to be counted in calculating the majority of such quorum necessary to carry such vote. This Section shall not be construed to invalidate any contract or other transaction which would otherwise be valid under the common and statutory law applicable thereto.

SECTION 8. INDEMNIFICATION OF DIRECTORS, OFFICERS, EMPLOYEES AND AGENTS. Every person who is or was a Director, officer, employee or agent of this Corporation or of any other corporation for which he is or was serving in any capacity at the request of this Corporation shall be indemnified by this Corporation against any and all liability and expense that may be incurred by him in connection with or resulting from or arising out of any claim, action, suit or proceeding, provided that such person is wholly successful with respect thereto or acted in good faith in what he reasonably believed to be in or not opposed to the best interest of this Corporation or such other corporation, as the case may be, and, in addition, in any criminal action or proceeding in which he had no reasonable cause to believe that his conduct was unlawful. As used herein, "claim, action, suit or proceeding" shall include any claim, action, suit or proceeding (whether brought by or in the right of this Corporation or such other corporation or otherwise), civil, criminal, administrative or investigative, whether actual or threatened or in connection with an appeal relating thereto, in which a Director, officer, employee or agent of this Corporation may become involved, as a party or otherwise,

- (i) by reason of his being or having been a Director, officer, employee, or agent of this Corporation or such other corporation or arising out of his status as such or
- (ii) by reason of any past or future action taken or not taken by him in any such capacity, whether or not he continues to be such at the time such liability or expense is incurred.

The terms "liability" and "expense" shall include, but shall not be limited to, attorneys' fees and disbursements, amounts of judgments, fines or penalties, and amounts paid in settlement by or on behalf of a Director, officer, employee, or agent, but shall not in any event include any liability or expenses on account of profits realized by him in the purchase or sale of securities of the Corporation in violation of the law. The termination of any claim, action, suit or proceeding, by judgment, settlement (whether with or without court approval) or conviction or upon a plea of guilty or of nolo contendere, or its equivalent, shall not create a presumption that a Director, officer, employee, or agent did not meet the standards of conduct set forth in this paragraph.

Any such Director, officer, employee, or agent who has been wholly successful with respect to any such claim, action, suit or proceeding shall be entitled to indemnification as a matter of right. Except as provided in the preceding sentence, any indemnification hereunder shall be made only if (i) the Board of Directors acting by a quorum consisting of Directors who are not parties to or who have been wholly successful with respect to such claim, action, suit or proceeding shall find that the Director, officer, employee, or agent has met the standards of conduct set forth in the preceding paragraph; or (ii) independent legal counsel shall deliver to the Corporation their written opinion that such Director, officer, employee, or agent has met such standards of conduct.

If several claims, issues or matters of action are involved, any such person may be entitled to indemnification as to some matters even though he is not entitled as to other matters.

The Corporation may advance expenses to or, where appropriate, may at its expense undertake the defense of any such Director, officer, employee, or agent upon receipt of an undertaking by or on behalf of such person to repay such expenses if it should ultimately be determined that he is not entitled to indemnification hereunder.

The provisions of this Section shall be applicable to claims, actions, suits or proceedings made or commenced after the adoption hereof, whether arising from acts or omissions to act during, before or after the adoption hereof.

The rights of indemnification provided hereunder shall be in addition to any rights to which any person concerned may otherwise be entitled by contract or as a matter of law and shall inure to the benefit of the heirs, executors and administrators of any such person.

The Corporation may purchase and maintain insurance on behalf of any person who is or was a Director, officer, employee or agent of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation against any liability asserted against him and incurred by him in any capacity or arising out of his status as such, whether or not the Corporation would have the power to indemnify him against such liability under the provisions of this Section or otherwise.

SECTION 9. DISTRIBUTIONS OUT OF CAPITAL SURPLUS. The Board of Directors of the Corporation may from time to time distribute to its shareholders out of the capital surplus of the Corporation a portion of its assets, in cash or property, without the assent or vote of the shareholders, provided that with respect to such a distribution the requirements of the Act other than shareholder approval are satisfied.

SECTION 10. POWERS OF DIRECTORS. In addition to the powers and the authority granted by these Articles or by statute expressly conferred, the Board of Directors of the Corporation is hereby authorized to exercise all powers and to do all acts and things as may be exercised or done under the laws of the State of Indiana by a corporation organized and existing under the provisions of the Act and not specifically prohibited or limited by these Articles.

SECTION 11. REMOVAL OF DIRECTORS. Any and all members of the Board of Directors may be removed, with or without cause, at a meeting of the shareholders called expressly for that purpose by the affirmative vote of the holders of not less than two-thirds (2/3) of the outstanding shares of capital stock then entitled to vote on the election of Directors, except that if the Board of Directors, by an affirmative vote of at least two-thirds (2/3) of the entire Board of Directors, recommends removal of a Director to the shareholders, such removal may be effected by the affirmative vote of the holders of not less than a majority of the outstanding shares of capital stock then entitled to vote on the election of Directors at a meeting of shareholders called expressly for that purpose.

SECTION 12. FAIR PRICE, FORM OF CONSIDERATION AND PROCEDURAL SAFEGUARDS FOR CERTAIN BUSINESS COMBINATIONS

5. Any agreement, contract or other arrangement providing for any one or more of the actions specified in the foregoing clauses (A)1. through (A)4.

(B) Prior to the approval of any of the transactions referred to in subsection (A) of this section ("Business Combination"), the Board of Directors of the Corporation shall make an evaluation of all relevant factors and issues arising out of or in connection with any such Business Combination and shall report to the shareholders in the conclusion which the Board of Directors reaches such evaluation. Relevant factors and issues shall include consideration of the impact which any such Business Combination will have on the community in which the Corporation or its subsidiaries conducts business, the employees of the Corporation or any of its subsidiaries, and the suppliers and customers of the Corporation and its subsidiaries, and shall also include any and all other factors which the Board of Directors in its discretion deems relevant.

"10% Shareholder" shall mean, in respect of any Business Combination, any person (other than the Corporation) who or which, as of the record date for the determination of shareholders entitled to notice of and to vote on such Business Combination or immediately prior to the consummation of any such Business Combination:

Section 3. Dividends.

(a) Rate. Holders of Designated Preferred Stock shall be entitled to receive, on each share of Designated Preferred Stock if, as and when declared by the Board of Directors or any duly authorized committee of the Board of Directors, but only out of assets legally available therefor, cumulative cash dividends with respect to each Dividend Period (as defined below) at a rate per annum equal to the Applicable Dividend Rate on (i) the Liquidation Amount per share of Designated Preferred Stock and (ii) the amount of accrued and unpaid dividends for any prior Dividend Period on such share of Designated Preferred Stock, if any. Such dividends shall begin to accrue and be cumulative from the Original Issue Date, shall compound on each subsequent Dividend Payment Date (*i.e.*, no dividends shall accrue on other dividends unless and until the first Dividend Payment Date for such other dividends has passed without such other dividends having been paid on such date) and shall be payable quarterly in arrears on each Dividend Payment Date, commencing with the first such Dividend Payment Date to occur at least 20 calendar days after the Original Issue Date. In the event that any Dividend Payment Date would otherwise fall on a day that is not a Business Day, the dividend payment due on that date will be postponed to the next day that is a Business Day and no additional dividends will accrue as a result of that postponement. The period from and including any Dividend Payment Date to, but excluding, the next Dividend Payment Date is a “Dividend Period”, provided that the initial Dividend Period shall be the period from and including the Original Issue Date to, but excluding, the next Dividend Payment Date.

Dividends that are payable on Designated Preferred Stock in respect of any Dividend Period shall be computed on the basis of a 360-day year consisting of twelve 30-day months. The amount of dividends payable on Designated Preferred Stock on any date prior to the end of a Dividend Period, and for the initial Dividend Period, shall be computed on the basis of a 360-day year consisting of twelve 30-day months, and actual days elapsed over a 30-day month.

Dividends that are payable on Designated Preferred Stock on any Dividend Payment Date will be payable to holders of record of Designated Preferred Stock as they appear on the stock register of the Corporation on the applicable record date, which shall be the 15th calendar day immediately preceding such Dividend Payment Date or such other record date fixed by the Board of Directors or any duly authorized committee of the Board of Directors that is not more than 60 nor less than 10 days prior to such Dividend Payment Date (each, a “Dividend Record Date”). Any such day that is a Dividend Record Date shall be a Dividend Record Date whether or not such day is a Business Day.

Holders of Designated Preferred Stock shall not be entitled to any dividends, whether payable in cash, securities or other property, other than dividends (if any) declared and payable on Designated Preferred Stock as specified in this Section 3 (subject to the other provisions of the Certificate of Designations).

(b) Priority of Dividends. So long as any share of Designated Preferred Stock remains outstanding, no dividend or distribution shall be declared or paid on the Common Stock or any other shares of Junior Stock (other than dividends payable solely in shares of Common Stock) or Parity Stock, subject to the immediately following paragraph in the case of Parity Stock, and no Common Stock, Junior Stock or Parity Stock shall be, directly or indirectly, purchased, redeemed or otherwise acquired for consideration by the Corporation or any of its subsidiaries unless all accrued and unpaid dividends for all past Dividend Periods, including the latest completed Dividend Period (including, if applicable as provided in Section 3(a) above, dividends on such amount), on all outstanding shares of Designated Preferred Stock have been or are contemporaneously declared and paid in full (or have been declared and a sum sufficient for the payment thereof has been set aside for the benefit of the holders of shares of Designated Preferred Stock on the applicable record date). The foregoing limitation shall not apply to (i) redemptions, purchases or other acquisitions of shares of Common Stock or other Junior Stock in connection with the administration of any employee benefit plan in the ordinary course of business (including purchases to offset the Share Dilution Amount (as defined below) pursuant to a publicly announced repurchase plan) and consistent with past practice, *provided* that any purchases to offset the Share Dilution Amount shall in no event exceed the Share Dilution Amount; (ii) purchases or other acquisitions by a broker-dealer subsidiary of the Corporation solely for the purpose of market-making, stabilization or customer facilitation transactions in Junior Stock or Parity Stock in the ordinary course of its business; (iii) purchases by a broker-dealer subsidiary of the Corporation of capital stock of the Corporation for resale pursuant to an offering by the Corporation of such capital stock underwritten by such broker-dealer subsidiary; (iv) any dividends or distributions of rights or Junior Stock in connection with a stockholders’ rights plan or any redemption or repurchase of rights pursuant to any stockholders’ rights plan; (v) the acquisition by the Corporation or any of its subsidiaries of record ownership in Junior Stock or Parity Stock for the beneficial ownership of any other persons (other than the Corporation or any of its subsidiaries), including as trustees or custodians; and (vi) the exchange or conversion of Junior Stock for or into other Junior Stock or of Parity Stock for or into other

Parity Stock (with the same or lesser aggregate liquidation amount) or Junior Stock, in each case, solely to the extent required pursuant to binding contractual agreements entered into prior to the Signing Date or any subsequent agreement for the accelerated exercise, settlement or exchange thereof for Common Stock. “Share Dilution Amount” means the increase in the number of diluted shares outstanding (determined in accordance with generally accepted accounting principles in the United States, and as measured from the date of the Corporation’s consolidated financial statements most recently filed with the Securities and Exchange Commission prior to the Original Issue Date) resulting from the grant, vesting or exercise of equity-based compensation to employees and equitably adjusted for any stock split, stock dividend, reverse stock split, reclassification or similar transaction.

When dividends are not paid (or declared and a sum sufficient for payment thereof set aside for the benefit of the holders thereof on the applicable record date) on any Dividend Payment Date (or, in the case of Parity Stock having dividend payment dates different from the Dividend Payment Dates, on a dividend payment date falling within a Dividend Period related to such Dividend Payment Date) in full upon Designated Preferred Stock and any shares of Parity Stock, all dividends declared on Designated Preferred Stock and all such Parity Stock and payable on such Dividend Payment Date (or, in the case of Parity Stock having dividend payment dates different from the Dividend Payment Dates, on a dividend payment date falling within the Dividend Period related to such Dividend Payment Date) shall be declared *pro rata* so that the respective amounts of such dividends declared shall bear the same ratio to each other as all accrued and unpaid dividends per share on the shares of Designated Preferred Stock (including, if applicable as provided in Section 3(a) above, dividends on such amount) and all Parity Stock payable on such Dividend Payment Date (or, in the case of Parity Stock having dividend payment dates different from the Dividend Payment Dates, on a dividend payment date falling within the Dividend Period related to such Dividend Payment Date) (subject to their having been declared by the Board of Directors or a duly authorized committee of the Board of Directors out of legally available funds and including, in the case of Parity Stock that bears cumulative dividends, all accrued but unpaid dividends) bear to each other. If the Board of Directors or a duly authorized committee of the Board of Directors determines not to pay any dividend or a full dividend on a Dividend Payment Date, the Corporation will provide written notice to the holders of Designated Preferred Stock prior to such Dividend Payment Date.

Subject to the foregoing, and not otherwise, such dividends (payable in cash, securities or other property) as may be determined by the Board of Directors or any duly authorized committee of the Board of Directors may be declared and paid on any securities, including Common Stock and other Junior Stock, from time to time out of any funds legally available for such payment, and holders of Designated Preferred Stock shall not be entitled to participate in any such dividends.

Section 4. Liquidation Rights.

(a) Voluntary or Involuntary Liquidation. In the event of any liquidation, dissolution or winding up of the affairs of the Corporation, whether voluntary or involuntary, holders of Designated Preferred Stock shall be entitled to receive for each share of Designated Preferred Stock, out of the assets of the Corporation or proceeds thereof (whether capital or surplus) available for distribution to stockholders of the Corporation, subject to the rights of any creditors of the Corporation, before any distribution of such assets or proceeds is made to or set aside for

the holders of Common Stock and any other stock of the Corporation ranking junior to Designated Preferred Stock as to such distribution, payment in full in an amount equal to the sum of (i) the Liquidation Amount per share and (ii) the amount of any accrued and unpaid dividends (including, if applicable as provided in Section 3(a) above, dividends on such amount), whether or not declared, to the date of payment (such amounts collectively, the "Liquidation Preference").

(b) Partial Payment. If in any distribution described in Section 4(a) above the assets of the Corporation or proceeds thereof are not sufficient to pay in full the amounts payable with respect to all outstanding shares of Designated Preferred Stock and the corresponding amounts payable with respect of any other stock of the Corporation ranking equally with Designated Preferred Stock as to such distribution, holders of Designated Preferred Stock and the holders of such other stock shall share ratably in any such distribution in proportion to the full respective distributions to which they are entitled.

(c) Residual Distributions. If the Liquidation Preference has been paid in full to all holders of Designated Preferred Stock and the corresponding amounts payable with respect of any other stock of the Corporation ranking equally with Designated Preferred Stock as to such distribution has been paid in full, the holders of other stock of the Corporation shall be entitled to receive all remaining assets of the Corporation (or proceeds thereof) according to their respective rights and preferences.

(d) Merger, Consolidation and Sale of Assets Not Liquidation. For purposes of this Section 4, the merger or consolidation of the Corporation with any other corporation or other entity, including a merger or consolidation in which the holders of Designated Preferred Stock receive cash, securities or other property for their shares, or the sale, lease or exchange (for cash, securities or other property) of all or substantially all of the assets of the Corporation, shall not constitute a liquidation, dissolution or winding up of the Corporation.

Section 5. Redemption.

(a) Optional Redemption. Except as provided below, the Designated Preferred Stock may not be redeemed prior to the first Dividend Payment Date falling on or after the third anniversary of the Original Issue Date. On or after the first Dividend Payment Date falling on or after the third anniversary of the Original Issue Date, the Corporation, at its option, subject to the approval of the Appropriate Federal Banking Agency, may redeem, in whole or in part, at any time and from time to time, out of funds legally available therefor, the shares of Designated Preferred Stock at the time outstanding, upon notice given as provided in Section 5(c) below, at a redemption price equal to the sum of (i) the Liquidation Amount per share and (ii) except as otherwise provided below, any accrued and unpaid dividends (including, if applicable as provided in Section 3(a) above, dividends on such amount) (regardless of whether any dividends are actually declared) to, but excluding, the date fixed for redemption.

Notwithstanding the foregoing, prior to the first Dividend Payment Date falling on or after the third anniversary of the Original Issue Date, the Corporation, at its option, subject to the approval of the Appropriate Federal Banking Agency, may redeem, in whole or in part, at any time and from time to time, the shares of Designated Preferred Stock at the time outstanding, upon notice given as provided in Section 5(c) below, at a redemption price equal to the sum of (i) the Liquidation Amount per share and (ii) except as otherwise provided below, any accrued and unpaid dividends (including, if applicable as provided in Section 3(a) above, dividends on such amount) (regardless of whether any dividends are actually declared) to, but excluding, the date fixed for redemption; *provided that* (x) the Corporation (or any successor by Business Combination) has received aggregate gross proceeds of not less than the Minimum Amount (plus the “Minimum Amount” as defined in the relevant certificate of designations for each other outstanding series of preferred stock of such successor that was originally issued to the United States Department of the Treasury (the “Successor Preferred Stock”) in connection with the Troubled Asset Relief Program Capital Purchase Program) from one or more Qualified Equity Offerings (including Qualified Equity Offerings of such successor), and (y) the aggregate redemption price of the Designated Preferred Stock (and any Successor Preferred Stock) redeemed pursuant to this paragraph may not exceed the aggregate net cash proceeds received by the Corporation (or any successor by Business Combination) from such Qualified Equity Offerings (including Qualified Equity Offerings of such successor).

The redemption price for any shares of Designated Preferred Stock shall be payable on the redemption date to the holder of such shares against surrender of the certificate(s) evidencing such shares to the Corporation or its agent. Any declared but unpaid dividends payable on a redemption date that occurs subsequent to the Dividend Record Date for a Dividend Period shall not be paid to the holder entitled to receive the redemption price on the redemption date, but rather shall be paid to the holder of record of the redeemed shares on such Dividend Record Date relating to the Dividend Payment Date as provided in Section 3 above.

(b) No Sinking Fund. The Designated Preferred Stock will not be subject to any mandatory redemption, sinking fund or other similar provisions. Holders of Designated Preferred Stock will have no right to require redemption or repurchase of any shares of Designated Preferred Stock.

(c) Notice of Redemption. Notice of every redemption of shares of Designated Preferred Stock shall be given by first class mail, postage prepaid, addressed to the holders of

record of the shares to be redeemed at their respective last addresses appearing on the books of the Corporation. Such mailing shall be at least 30 days and not more than 60 days before the date fixed for redemption. Any notice mailed as provided in this Subsection shall be conclusively presumed to have been duly given, whether or not the holder receives such notice, but failure duly to give such notice by mail, or any defect in such notice or in the mailing thereof, to any holder of shares of Designated Preferred Stock designated for redemption shall not affect the validity of the proceedings for the redemption of any other shares of Designated Preferred Stock. Notwithstanding the foregoing, if shares of Designated Preferred Stock are issued in book-entry form through The Depository Trust Company or any other similar facility, notice of redemption may be given to the holders of Designated Preferred Stock at such time and in any manner permitted by such facility. Each notice of redemption given to a holder shall state: (1) the redemption date; (2) the number of shares of Designated Preferred Stock to be redeemed and, if less than all the shares held by such holder are to be redeemed, the number of such shares to be redeemed from such holder; (3) the redemption price; and (4) the place or places where certificates for such shares are to be surrendered for payment of the redemption price.

(d) Partial Redemption. In case of any redemption of part of the shares of Designated Preferred Stock at the time outstanding, the shares to be redeemed shall be selected either *pro rata* or in such other manner as the Board of Directors or a duly authorized committee thereof may determine to be fair and equitable. Subject to the provisions hereof, the Board of Directors or a duly authorized committee thereof shall have full power and authority to prescribe the terms and conditions upon which shares of Designated Preferred Stock shall be redeemed from time to time. If fewer than all the shares represented by any certificate are redeemed, a new certificate shall be issued representing the unredeemed shares without charge to the holder thereof.

(e) Effectiveness of Redemption. If notice of redemption has been duly given and if on or before the redemption date specified in the notice all funds necessary for the redemption have been deposited by the Corporation, in trust for the *pro rata* benefit of the holders of the shares called for redemption, with a bank or trust company doing business in the Borough of Manhattan, The City of New York, and having a capital and surplus of at least \$500 million and selected by the Board of Directors, so as to be and continue to be available solely therefor, then, notwithstanding that any certificate for any share so called for redemption has not been surrendered for cancellation, on and after the redemption date dividends shall cease to accrue on all shares so called for redemption, all shares so called for redemption shall no longer be deemed outstanding and all rights with respect to such shares shall forthwith on such redemption date cease and terminate, except only the right of the holders thereof to receive the amount payable on such redemption from such bank or trust company, without interest. Any funds unclaimed at the end of three years from the redemption date shall, to the extent permitted by law, be released to the Corporation, after which time the holders of the shares so called for redemption shall look only to the Corporation for payment of the redemption price of such shares.

(f) Status of Redeemed Shares. Shares of Designated Preferred Stock that are redeemed, repurchased or otherwise acquired by the Corporation shall revert to authorized but unissued shares of Preferred Stock (*provided* that any such cancelled shares of Designated Preferred Stock may be reissued only as shares of any series of Preferred Stock other than Designated Preferred Stock).

Section 6. Conversion. Holders of Designated Preferred Stock shares shall have no right

to exchange or convert such shares into any other securities.

Section 7. Voting Rights.

(a) General. The holders of Designated Preferred Stock shall not have any voting rights except as set forth below or as otherwise from time to time required by law.

(b) Preferred Stock Directors. Whenever, at any time or times, dividends payable on the shares of Designated Preferred Stock have not been paid for an aggregate of six quarterly Dividend Periods or more, whether or not consecutive, the authorized number of directors of the Corporation shall automatically be increased by two and the holders of the Designated Preferred Stock shall have the right, with holders of shares of any one or more other classes or series of Voting Parity Stock outstanding at the time, voting together as a class, to elect two directors (hereinafter the "Preferred Directors" and each a "Preferred Director") to fill such newly created directorships at the Corporation's next annual meeting of stockholders (or at a special meeting called for that purpose prior to such next annual meeting) and at each subsequent annual meeting of stockholders until all accrued and unpaid dividends for all past Dividend Periods, including the latest completed Dividend Period (including, if applicable as provided in Section 3(a) above, dividends on such amount), on all outstanding shares of Designated Preferred Stock have been declared and paid in full at which time such right shall terminate with respect to the Designated Preferred Stock, except as herein or by law expressly provided, subject to reversion in the event of each and every subsequent default of the character above mentioned; *provided* that it shall be a qualification for election for any Preferred Director that the election of such Preferred Director shall not cause the Corporation to violate any corporate governance requirements of any securities exchange or other trading facility on which securities of the Corporation may then be listed or traded that listed or traded companies must have a majority of independent directors. Upon any termination of the right of the holders of shares of Designated Preferred Stock and Voting Parity Stock as a class to vote for directors as provided above, the Preferred Directors shall cease to be qualified as directors, the term of office of all Preferred Directors then in office shall terminate immediately and the authorized number of directors shall be reduced by the number of Preferred Directors elected pursuant hereto. Any Preferred Director may be removed at any time, with or without cause, and any vacancy created thereby may be filled, only by the affirmative vote of the holders a majority of the shares of Designated Preferred Stock at the time outstanding voting separately as a class together with the holders of shares of Voting Parity Stock, to the extent the voting rights of such holders described above are then exercisable. If the office of any Preferred Director becomes vacant for any reason other than removal from office as aforesaid, the remaining Preferred Director may choose a successor who shall hold office for the unexpired term in respect of which such vacancy occurred.

(c) Class Voting Rights as to Particular Matters. So long as any shares of Designated Preferred Stock are outstanding, in addition to any other vote or consent of stockholders required by law or by the Charter, the vote or consent of the holders of at least 66 2/3% of the shares of Designated Preferred Stock at the time outstanding, voting as a separate class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose, shall be necessary for effecting or validating:

(i) Authorization of Senior Stock. Any amendment or alteration of the Certificate of Designations for the Designated Preferred Stock or the Charter to authorize or create or increase the authorized amount of, or any issuance of, any shares of, or any

securities convertible into or exchangeable or exercisable for shares of, any class or series of capital stock of the Corporation ranking senior to Designated Preferred Stock with respect to either or both the payment of dividends and/or the distribution of assets on any liquidation, dissolution or winding up of the Corporation;

(ii) Amendment of Designated Preferred Stock. Any amendment, alteration or repeal of any provision of the Certificate of Designations for the Designated Preferred Stock or the Charter (including, unless no vote on such merger or consolidation is required by Section 7(c)(iii) below, any amendment, alteration or repeal by means of a merger, consolidation or otherwise) so as to adversely affect the rights, preferences, privileges or voting powers of the Designated Preferred Stock; or

(iii) Share Exchanges, Reclassifications, Mergers and Consolidations. Any consummation of a binding share exchange or reclassification involving the Designated Preferred Stock, or of a merger or consolidation of the Corporation with another corporation or other entity, unless in each case (x) the shares of Designated Preferred Stock remain outstanding or, in the case of any such merger or consolidation with respect to which the Corporation is not the surviving or resulting entity, are converted into or exchanged for preference securities of the surviving or resulting entity or its ultimate parent, and (y) such shares remaining outstanding or such preference securities, as the case may be, have such rights, preferences, privileges and voting powers, and limitations and restrictions thereof, taken as a whole, as are not materially less favorable to the holders thereof than the rights, preferences, privileges and voting powers, and limitations and restrictions thereof, of Designated Preferred Stock immediately prior to such consummation, taken as a whole;

provided, however, that for all purposes of this Section 7(c), any increase in the amount of the authorized Preferred Stock, including any increase in the authorized amount of Designated Preferred Stock necessary to satisfy preemptive or similar rights granted by the Corporation to other persons prior to the Signing Date, or the creation and issuance, or an increase in the authorized or issued amount, whether pursuant to preemptive or similar rights or otherwise, of any other series of Preferred Stock, or any securities convertible into or exchangeable or exercisable for any other series of Preferred Stock, ranking equally with and/or junior to Designated Preferred Stock with respect to the payment of dividends (whether such dividends are cumulative or non-cumulative) and the distribution of assets upon liquidation, dissolution or winding up of the Corporation will not be deemed to adversely affect the rights, preferences, privileges or voting powers, and shall not require the affirmative vote or consent of, the holders of outstanding shares of the Designated Preferred Stock.

(d) Changes after Provision for Redemption. No vote or consent of the holders of Designated Preferred Stock shall be required pursuant to Section 7(c) above if, at or prior to the time when any such vote or consent would otherwise be required pursuant to such Section, all outstanding shares of the Designated Preferred Stock shall have been redeemed, or shall have been called for redemption upon proper notice and sufficient funds shall have been deposited in trust for such redemption, in each case pursuant to Section 5 above.

(e) Procedures for Voting and Consents. The rules and procedures for calling and conducting any meeting of the holders of Designated Preferred Stock (including, without limitation, the fixing of a record date in connection therewith), the solicitation and use of proxies at such a meeting, the obtaining of written consents and any other aspect or matter with regard to

such a meeting or such consents shall be governed by any rules of the Board of Directors or any duly authorized committee of the Board of Directors, in its discretion, may adopt from time to time, which rules and procedures shall conform to the requirements of the Charter, the Bylaws, and applicable law and the rules of any national securities exchange or other trading facility on which Designated Preferred Stock is listed or traded at the time.

Section 8. Record Holders. To the fullest extent permitted by applicable law, the Corporation and the transfer agent for Designated Preferred Stock may deem and treat the record holder of any share of Designated Preferred Stock as the true and lawful owner thereof for all purposes, and neither the Corporation nor such transfer agent shall be affected by any notice to the contrary.

Section 9. Notices. All notices or communications in respect of Designated Preferred Stock shall be sufficiently given if given in writing and delivered in person or by first class mail, postage prepaid, or if given in such other manner as may be permitted in this Certificate of Designations, in the Charter or Bylaws or by applicable law. Notwithstanding the foregoing, if shares of Designated Preferred Stock are issued in book-entry form through The Depository Trust Company or any similar facility, such notices may be given to the holders of Designated Preferred Stock in any manner permitted by such facility.

Section 10. No Preemptive Rights. No share of Designated Preferred Stock shall have any rights of preemption whatsoever as to any securities of the Corporation, or any warrants, rights or options issued or granted with respect thereto, regardless of how such securities, or such warrants, rights or options, may be designated, issued or granted.

Section 11. Replacement Certificates. The Corporation shall replace any mutilated certificate at the holder's expense upon surrender of that certificate to the Corporation. The Corporation shall replace certificates that become destroyed, stolen or lost at the holder's expense upon delivery to the Corporation of reasonably satisfactory evidence that the certificate has been destroyed, stolen or lost, together with any indemnity that may be reasonably required by the Corporation.

Section 12. Other Rights. The shares of Designated Preferred Stock shall not have any rights, preferences, privileges or voting powers or relative, participating, optional or other special rights, or qualifications, limitations or restrictions thereof, other than as set forth herein or in the Charter or as provided by applicable law. ”

About the upper periphery of the seal shall appear the words "First Merchants Corporation" and about the lower periphery thereof the word "Muncie, Indiana". In the center of the seal shall appear the word "Seal".

ARTICLE II

Fiscal Year

The fiscal year of the Corporation shall begin each year on the first day of January and end on the last day of December of the same year.

Capital Stock

Section 1. Number of Shares and Classes of Capital Stock. The total number of shares of capital stock which the Corporation shall have authority to issue shall be as stated in the Articles of Incorporation.

Section 2. Consideration for No Par Value Shares. The shares of stock of the Corporation without par value shall be issued or sold in such manner and for such amount of consideration as may be fixed from time to time by the Board of Directors. Upon payment of the consideration fixed by the Board of Directors, such shares of stock shall be fully paid and nonassessable.

Section 3. Consideration for Treasury Shares. Treasury shares may be disposed of by the Corporation for such consideration as may be determined from time to time by the Board of Directors.

Section 4. Payment for Shares. The consideration for the issuance of shares of capital stock of the Corporation may be paid, in whole or in part, in money, in other property, tangible or intangible, or in labor actually performed for, or services actually rendered to the Corporation; provided, however, that the part of the surplus of the Corporation which is transferred to stated capital upon the issuance of shares as a share dividend shall be deemed to be the consideration for the issuance of such shares. When payment of the consideration for which a share was authorized to be issued shall have been received by the Corporation, or when surplus shall have been transferred to stated capital upon the issuance of a share dividend, such share shall be declared and taken to be fully paid and not liable to any further call or assessment, and the holder thereof shall not be liable for any further payments thereon. In the absence of actual fraud in the transaction, the judgment of the Board of Directors as to the value of such property, labor or services received as consideration, or the value placed by the Board of Directors upon the corporate assets in the event of a share dividend, shall be conclusive. Promissory notes, uncertified checks, or future services shall not be accepted in payment or part payment of the capital stock of the Corporation, except as permitted by the Act.

Section 5. Share Certificates. Shares of the Corporation's stock may but need not be represented by a certificate. The rights and obligations of shareholders of the same class or series of shares are identical whether or not their shares are represented by certificates.

A book entry stock account shall be established in the name of each shareholder who is the beneficial owner of any shares of the Corporation's stock that are not represented by a certificate, which stock account shall set forth the number of such shares credited to the shareholder. A shareholder may request that a stock certificate, representing all or part of the shares credited to his or her stock account, be issued and delivered to the shareholder at any time.

Anyholder of capital stock of the Corporation shall be entitled to a stock certificate, signed by the President or a Vice President and the Secretary or any Assistant Secretary of the Corporation, stating the name of the registered holder, the number of shares represented by such certificate, the par value of each share of stock or that such shares of stock are without par value, and that such shares are fully paid and nonassessable. If such shares are not fully paid, the certificate shall be legibly stamped to indicate the per cent which has been paid, and as further payments are made, the certificate shall be stamped accordingly. The certificate may bear the seal of the Corporation or its facsimile.

If the Corporation is authorized to issue shares of more than one class, every certificate shall state the kind and class of shares represented thereby, and the relative rights, interests, preferences and restrictions of such class, or a summary thereof; provided, that such statement may be omitted from the certificate if it shall be set forth upon the face or back of the certificate that such statement, in full, will be furnished by the Corporation to any shareholder upon written request and without charge.

Section 6. Facsimile Signatures. If a certificate is countersigned by the written signature of a transfer agent other than the Corporation or its employee, the signatures of the officers of the Corporation may be facsimiles. If a certificate is countersigned by the written signature of a registrar other than the Corporation or its employee, the signatures of the transfer

agent and the officers of the Corporation may be facsimiles. In case any officer, transfer agent, or registrar who has signed or whose facsimile signature has been placed upon a certificate shall have ceased to be such officer, transfer agent, or registrar before such certificate is issued, it may be issued by the Corporation with the same effect as if he were such officer, transfer agent, or registrar at the date of its issue.

Section 7. Transfer of Shares. The shares of capital stock of the Corporation shall be transferable on the books of the Corporation upon surrender of the certificate or certificates representing the same, properly endorsed by the registered holder or by the holder's duly authorized attorney or accompanied by proper evidence of succession, assignment or authority to transfer. Shares that are not represented by a certificate shall be transferable on the books of the Corporation upon receipt of written direction to do so from the registered holder or the holder's duly authorized attorney or accompanied by proper evidence of succession, assignment or authority to transfer, in a form satisfactory to the Corporation, its transfer agent or registrar.

Section 8. Cancellation. Every certificate surrendered to the Corporation for exchange or transfer shall be canceled, and no new certificate or certificates shall be issued in exchange for any existing certificate until such existing certificate shall have been so canceled, except in cases provided for in Section 10 of this Article III.

Section 9. Transfer Agent and Registrar. The Board of Directors may appoint a transfer agent and a registrar for each class of capital stock of the Corporation and may require all certificates representing such shares to bear the signature of such transfer agent and registrar. Shareholders shall be responsible for notifying the Corporation or transfer agent and registrar for the class of stock held by such shareholder in writing of any changes in their addresses from time to time, and failure so to do shall relieve the Corporation, its shareholders, Directors, officers, transfer agent and registrar of liability for failure to direct notices, dividends, or other documents or property to an address other than the one appearing upon the records of the transfer agent and registrar of the Corporation.

Section 10. Lost, Stolen or Destroyed Certificates. The Corporation may cause a new certificate or certificates to be issued in place of any certificate or certificates theretofore issued by the Corporation alleged to have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming the certificate of stock to be lost, stolen or destroyed. When authorizing such issue of a new certificate or certificates, the Corporation may, in its discretion and as a condition precedent to the issuance thereof, require the owner of such lost, stolen or destroyed certificate or certificates, or the owner's legal representative, to give the Corporation a bond in such sum and in such form as it may direct to indemnify against any claim that may be made against the Corporation with respect to the certificates alleged to have been lost, stolen or destroyed or the issuance of such new certificate. The Corporation, in its discretion, may authorize the issuance of such new certificates without any bond when in its judgment it is proper to do so.

Section 11. Registered Shareholders. The Corporation shall be entitled to recognize the exclusive right of a person registered on its books as the owner of such shares to receive dividends, to vote as such owner, to hold liable for calls and assessments, and to treat as owner in

all other respects, and shall not be bound to recognize any equitable or other claims to or interest in such share or shares on the part of any other person, whether or not it shall have express or other notice thereof, except as otherwise provided by the laws of Indiana.

Section 12. Options to Officers and Employees. The issuance, including the consideration, of rights or options to Directors, officers or employees of the Corporation, and not to the shareholders generally, to purchase from the Corporation shares of its capital stock shall be approved by the affirmative vote of the holders of a majority of the shares entitled to vote thereon or shall be authorized by and consistent with a plan approved by such a vote of the shareholders.

ARTICLE IV

Meetings of Shareholders

Section 1. Place of Meeting. Meetings of shareholders of the Corporation shall be held at such place, within or without the State of Indiana, as may from time to time be designated by the Board of Directors, or as may be specified in the notices or waivers of notice of such meetings.

Section 2. Annual Meeting. The annual meeting of shareholders for the election of Directors, and for the transaction of such other business as may properly come before the meeting, shall be held at such time as the Board of Directors may set by resolution, following the close of the fiscal year of the Corporation. A failure to hold the annual meeting at the designated time shall not affect the validity of any corporate action.

Section 3. Special Meetings. Special meetings of the shareholders, for any purpose or purposes, unless otherwise prescribed by statute or by the Articles of Incorporation, may be called by the Board of Directors or the President and shall be called by the President or Secretary at the request in writing of a majority of the Board of Directors, or at the request in writing of shareholders holding of record not less than one-fourth (1/4) of all the shares outstanding and entitled by the Articles of Incorporation to vote on the business for which the meeting is being called.

Section 4. Notice of Meetings. A written or printed notice, stating the place, day and hour of the meeting, and in case of a special meeting, or when required by any other provision of the Act, or of the Articles of Incorporation, as now or hereafter amended, or these Bylaws, the purpose or purposes for which the meeting is called, shall be delivered or mailed by the Secretary, or by the officers or persons calling the meeting, to each shareholder of record entitled by the Articles of Incorporation, as now or hereafter amended, and by the Act to vote at such meeting, at such address as appears upon the records of the Corporation, at least ten (10) days before the date of the meeting. Notice of any such meeting may be waived in writing by any shareholder, if the waiver sets forth in reasonable detail the purpose or purposes for which the meeting is called, and the time and place thereof. Attendance at any meeting in person, or by proxy, shall constitute a waiver of notice of such meeting. Each shareholder, who has in the manner above provided waived notice of a shareholders' meeting, or who personally attends a

shareholders' meeting, or is represented thereat by a proxy authorized to appear by an instrument of proxy, shall be conclusively presumed to have been given due notice of such meeting. Notice of any adjourned meeting of shareholders shall not be required to be given if the time and place thereof are announced at the meeting at which the adjournment is taken except as may be expressly required by law.

Section 5. Addresses of Shareholders. The address of any shareholder appearing upon the records of the Corporation shall be deemed to be the latest address of such shareholder appearing on the records maintained by the Corporation or its transfer agent for the class of stock held by such shareholder.

Section 6. Voting at Meetings.

(a) **Quorum.** The holders of record of a majority of the issued and outstanding stock of the Corporation entitled to vote at such meeting, present in person or by proxy, shall constitute a quorum at all meetings of shareholders for the transaction of business, except where otherwise provided by law, the Articles of Incorporation or these Bylaws. In the absence of a quorum, any officer entitled to preside at, or act as secretary of, such meeting shall have the power to adjourn the meeting from time to time until a quorum shall be constituted. At any such adjourned meeting at which a quorum shall be present, any business may be transacted which might have been transacted at the original meeting, but only those shareholders entitled to vote at the original meeting shall be entitled to vote at any adjournment or adjournments thereof unless a new record date is fixed by the Board of Directors for the adjourned meeting.

(b) **Voting Rights.** Except as otherwise provided by law or by the provisions of the Articles of Incorporation, every shareholder shall have the right at every shareholders' meeting to one vote for each share of stock having voting power, registered in the shareholder's name on the books of the Corporation on the date for the determination of shareholders entitled to vote, on all matters coming before the meeting including the election of directors. At any meeting of shareholders, every shareholder having the right to vote shall be entitled to vote in person, or by proxy executed by the shareholder or a duly authorized attorney in fact, in writing, transmitted by electronic means, or by any other method allowed by law, and bearing a date not more than eleven (11) months prior to its execution, unless a longer time is expressly provided therein.

(c) **Required Vote.** When a quorum is present at any meeting, the vote of the holders of a majority of the stock having voting power present in person or represented by proxy shall decide any question brought before such meeting, unless the question is one upon which, by express provision of the Act or of the Articles of Incorporation or by these Bylaws, a greater vote is required, in which case such express provision shall govern and control the decision of such question.

Section 7. Voting List. The Corporation or its transfer agent shall make, at least five (5) business days before each meeting of the shareholders, a complete list of the shareholders entitled by the Articles of Incorporation, as now or hereafter amended, to notice of the meeting, arranged in alphabetical order, with the address of and number of shares held by each, which list shall be on file at the principal office of the Corporation and subject to inspection during regular

business hours by any shareholder entitled to vote at the meeting, or by the shareholder's agent or attorney authorized in writing. Such list shall be available continuing through the meeting, at the Corporation's principal office or at a place identified in the meeting notice in the city where the meeting will be held.

Section 8. Fixing of Record Date to Determine Shareholders Entitled to Vote. The Board of Directors may fix a record date, not exceeding seventy (70) days prior to the date of any meeting of the shareholders, for the purpose of determining the shareholders entitled to notice of and to vote at the meeting. In the absence of action by the Board of Directors fixing a record date as herein provided, the record date shall be the sixtieth (60th) day prior to the date of the meeting. A new record date must be fixed if a meeting of the shareholders is adjourned to a date more than one hundred twenty (120) days after the date fixed for the original meeting.

Section 9. Nominations for Director. The Nominating and Governance Committee of the Board of Directors shall have the responsibility for nominating individuals to serve as members of the Board of Directors, including the slate of Directors to be elected each year at the annual meeting of shareholders. In so doing, the Committee shall maintain up-to-date criteria for selecting Directors and a process for identifying and evaluating prospective nominees. Shareholders may suggest a candidate for consideration by the Committee as a Director nominee by submitting the suggestion in writing and delivering or mailing it to the Secretary of the Corporation at the Corporation's principal office. Suggestions for nominees from shareholders must include: (a) the name, address and number of the Corporation's shares owned by the shareholder; (b) the name, address, age and principal occupation of the suggested nominee; (c) such other information concerning the suggested nominee as the shareholder may wish to submit or the Committee may reasonably request. The Committee shall evaluate suggestions for nominees from shareholders in the same manner as other candidates.

Any nominations for election as Directors at any annual or special meeting of shareholders not made in accordance with this Section may be disregarded by the Chairman of the meeting, in the Chairman's discretion; and, upon the Chairman's instructions, the vote tellers or inspectors of shareholder votes may disregard all votes cast for each such nominee.

ARTICLE V

Board of Directors

Section 1. Election, Number and Term of Office. The business and affairs of the Corporation shall be managed in accordance with the Act under the direction of a Board consisting of not less than nine (9) and not more than fifteen (15) Directors, who shall be elected by the holders of the shares of stock entitled by the Articles of Incorporation to elect Directors. The number of Directors shall be fixed or changed from time to time, within this minimum and maximum, by a two-thirds (2/3) vote of the Board of Directors. No decrease in the number of Directors shall have the effect of shortening the term of any incumbent Director.

The Directors shall be divided into three (3) classes as nearly equal in number as possible, all Directors to serve three (3) year terms except as provided in the third paragraph of

this Section. One class shall be elected at each annual meeting of the shareholders, by the holders of the shares of stock entitled by the Articles of Incorporation to elect Directors.

No person shall serve as a Director subsequent to the annual meeting of shareholders following the end of the calendar year in which such person attains the age of seventy (70) years. The term of a Director shall expire as of the annual meeting following which the Director is no longer eligible to serve under the provisions of this paragraph, even if fewer than three (3) years have elapsed since the commencement of the Director's term.

Except in the case of earlier resignation, removal or death, all Directors shall hold office until their respective successors are chosen and qualified.

The provisions of this Section of the Bylaws may not be changed or amended except by a two-thirds (2/3) vote of the Board of Directors.

Section 2. Vacancies. Any vacancy occurring in the Board of Directors caused by resignation, death or other incapacity, or an increase in the number of Directors, shall be filled by a majority vote of the remaining members of the Board of Directors, until the next annual meeting of the shareholders, or at the discretion of the Board of Directors, such vacancy may be filled by a vote of the shareholders at a special meeting called for that purpose.

Section 3. Annual Meeting of Directors. The Board of Directors shall meet each year immediately after the annual meeting of the shareholders, at the place where such meeting of the shareholders has been held either within or without the State of Indiana, for the purpose of organization, election of officers, and consideration of any other business that may properly come before the meeting. No notice of any kind to either old or new members of the Board of Directors for such annual meeting shall be necessary.

Section 4. Regular Meetings. Regular meetings of the Board of Directors shall be held at such times and places, either within or without the State of Indiana, as may be fixed by the Directors. Such regular meetings of the Board of Directors may be held without notice or upon such notice as may be fixed by the Directors.

Section 5. Special Meetings. Special meetings of the Board of Directors may be called by the Chairman of the Board, the President, or by not less than a majority of the members of the Board of Directors. Notice of the time and place, either within or without the State of Indiana, of a special meeting shall be delivered personally, telephoned, faxed or sent by other electronic means to each Director at least twenty-four (24) hours, or mailed or delivered by express private delivery service, to each Director at the Director's usual place of business or residence at least forty-eight (48) hours, prior to the time of the meeting. Directors, in lieu of such notice, may sign a written waiver of notice either before the time of the meeting, at the meeting or after the meeting. Attendance by a Director in person at any special meeting shall constitute a waiver of notice.

Section 6. Quorum. A majority of the actual number of Directors elected and qualified, from time to time, shall be necessary to constitute a quorum for the transaction of any business except the filling of vacancies, and the act of a majority of the Directors present at the

meeting, at which a quorum is present, shall be the act of the Board of Directors, unless the act of a greater number is required by the Act, by the Articles of Incorporation, or by these Bylaws. A Director, who is present at a meeting of the Board of Directors, at which action on any corporate matter is taken, shall be conclusively presumed to have assented to the action taken, unless (a) the Director shall have affirmatively stated the Director's dissent at and before the adjournment of such meeting (in which event the fact of such dissent shall be entered by the secretary of the meeting in the minutes of the meeting), or (b) the Director shall forward such dissent by registered mail to the Secretary of the Corporation immediately after the adjournment of the meeting. The right of dissent provided for by either clause (a) or clause (b) of the immediately preceding sentence shall not be available, in respect of any matter acted upon at any meeting, to a Director who voted at the meeting in favor of such matter and did not change this vote prior to the time that the result of the vote on such matter was announced by the chairman of such meeting.

A member of the Board of Directors may participate in a meeting of the Board by means of a conference telephone or similar communications equipment by which all Directors participating in the meeting can communicate with each other, and participation by these means constitutes presence in person at the meeting.

Section 7. Consent Action by Directors. Any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting, if prior to such action a written consent to such action is signed by all members of the Board of Directors or such committee, as the case may be, and such written consent is filed with the minutes of proceedings of the Board of Directors or committee.

Section 8. Removal. Any or all members of the Board of Directors may be removed, with or without cause, at a meeting of the shareholders called expressly for that purpose by the affirmative vote of the holders of not less than two-thirds (2/3) of the outstanding shares of capital stock then entitled to vote on the election of Directors, except that if the Board of Directors, by an affirmative vote of at least two-thirds (2/3) of the entire Board of Directors, recommends removal of a Director to the shareholders, such removal may be effected by the affirmative vote of the holders of not less than a majority of the outstanding shares of capital stock then entitled to vote on the election of Directors at a meeting of shareholders called expressly for that purpose.

The provisions in this Section of the Bylaws may not be changed or amended except by a two-thirds (2/3) vote of the Board of Directors.

Section 9. Dividends. The Board of Directors shall have power, subject to any restrictions contained in the Act or in the Articles of Incorporation and out of funds legally available therefor, to declare and pay dividends upon the outstanding capital stock of the Corporation as and when they deem expedient. Before declaring any dividend, there may be set aside out of any funds of the Corporation available for dividends such sum or sums as the Board of Directors from time to time in their absolute discretion deem proper for working capital, or as a reserve or reserves to meet contingencies or for such other purposes as the Board of Directors may determine, and the Board of Directors may in their absolute discretion modify or abolish any such reserve in the manner in which it was created.

Section 10. Fixing of Record Date to Determine Shareholders Entitled to Receive Corporate

Benefits. The Board of Directors may fix a record date with respect to any dividend, including a share dividend, or other distribution to the shareholders of the Corporation, or for a determination of shareholders for any other purpose, as a time for the determination of the shareholders entitled to receive any such dividend, distribution or rights; and in such case only shareholders of record at the time so fixed shall be entitled to receive such dividend, rights or distribution. If no record date is fixed for the determination of shareholders entitled to receive payment of a dividend, the end of the day on which the resolution of the Board of Directors declaring such dividend is adopted shall be the record date for such determination.

Section 11. Interest of Directors in Contracts.

Any contract or other transaction between the Corporation and any corporation in which this Corporation owns a majority of the capital stock shall be valid and binding, notwithstanding that the Directors or officers of this Corporation and the other corporation are identical or that some or all of the Directors or officers, or both, are also directors or officers of such other corporation.

Any contract or other transaction between the Corporation and one or more of its Directors or members or employees, or between the Corporation and any firm of which one or more of its Directors are members or employees or in which they are interested, or between the Corporation and any corporation or association of which one or more of its Directors are stockholders, members, directors, officers, or employees or in which they are interested, shall be valid for all purposes, notwithstanding the presence of such Director or Directors at the meeting of the Board of Directors of the Corporation which acts upon, or in reference to, such contract or transaction and notwithstanding his or their participation in such action, if the fact of such interest shall be disclosed or known to the Board of Directors and the Board of Directors shall authorize, approve and ratify such contract or transaction by a vote of a majority of the Directors present, such interested Director or Directors to be counted in determining whether a quorum is present, but not to be counted in calculating the majority of such quorum necessary to carry such vote. This Section shall not be construed to invalidate any contract or other transaction which would otherwise be valid under the common and statutory law applicable thereto.

Section 12. Committees.

The Board of Directors may, by resolution adopted by a majority of the actual number of Directors elected and qualified, from time to time, designate from among its members an Executive Committee and one or more other committees.

During the intervals between meetings of the Board of Directors, any Executive Committee so appointed, unless expressly provided otherwise by law or these Bylaws, shall have and may exercise all the authority of the Board of Directors, including, but not limited to, the authority to issue and sell or approve any contract to issue or sell, securities or shares of the Corporation or designate the terms of a series or class of securities or shares of the Corporation. The terms which may be affixed by the Executive Committee include, but are not limited to, the price, dividend rate, and provisions of redemption, a sinking fund, conversion, voting, or preferential rights or other features of securities or class or series of a class of shares. Such Committee may have full power to adopt a final resolution which sets forth these terms and to authorize a statement of such terms to be filed with the Secretary of State. However, such Executive Committee shall not have the authority to declare dividends or distributions, amend

the Articles of Incorporation or the Bylaws, approve a plan of merger or consolidation, even if such plan does not require shareholder approval, reduce earned or capital surplus, authorize or approve the reacquisition of shares unless pursuant to a general formula or method specified by the Board of Directors, or recommend to the shareholders a voluntary dissolution of the Corporation or a revocation thereof.

The Board of Directors may, in its discretion, constitute and appoint other committees, in addition to an Executive Committee, to assist in the management and control of the affairs of the Corporation, with responsibilities and powers appropriate to the nature of the several committees and as provided by the Board of Directors in the resolution of appointment or in subsequent resolutions and directives. Such committees may include, but are not limited to, a Nominating and Governance Committee, an Audit Committee, and a Compensation and Human Resources Committee.

No member of any committee appointed by the Board of Directors shall continue to be a member thereof after he ceases to be a Director of the Corporation. The calling and holding of meetings of any committee and its method of procedure shall be determined by the Board of Directors or by the committee itself, except as otherwise provided in these Bylaws. To the extent permitted by law, a member of the Board of Directors serving on any such committee shall not be liable for any action taken by such committee if the Director has acted in good faith and in a manner the Director reasonably believed to be in the best interests of the Corporation. A member of a committee may participate in a meeting of the committee by means of a conference telephone or similar communications equipment by which all members participating in the meeting can communicate with each other, and participation by these means constitutes presence in person at the meeting.

ARTICLE VI

Officers

Section 1. Principal Officers. The principal officers of the Corporation shall be a Chairman of the Board, a Vice Chairman of the Board, a Chief Executive Officer, a President, one (1) or more Vice Presidents (which may include one (1) or more Executive Vice Presidents, Senior Vice Presidents, First Vice Presidents and/or other Vice Presidents), a Treasurer and a Secretary. The Corporation may also have, at the discretion of the Board of Directors, such other subordinate officers as may be appointed in accordance with the provisions of these Bylaws. The Board of Directors may, from time to time, designate a chief operating officer and a chief financial officer from among the principal officers of the Corporation. Any two (2) or more offices may be held by the same person. No person shall be eligible for the office of Chairman of the Board, Vice Chairman of the Board, Chief Executive Officer or President who is not a Director of the Corporation.

Section 2. Election and Term of Office. The principal officers of the Corporation shall be chosen annually by the Board of Directors at the annual meeting thereof. Each such officer shall hold office until the officer's successor shall have been duly chosen and qualified, or until the officer's death, or until the officer shall resign, or shall have been removed in the manner hereinafter provided.

Section 3. Removal. Any principal officer may be removed, either with or without cause, at any time, by resolution adopted at any meeting of the Board of Directors by a majority of the actual number of Directors elected and qualified from time to time.

Section 4. Subordinate Officers. In addition to the principal officers enumerated in Section 1 of this Article VI, the Corporation may have one or more Assistant Treasurers, one or more Assistant Secretaries and such other officers, agents and employees as the Board of Directors may deem necessary, each to hold office for such period, to have such authority, and to perform such duties as the Chief Executive Officer or the Board of Directors may from time to time determine. The Board of Directors may delegate to any principal officer the power to appoint and to remove, either with or without cause, any such subordinate officers, agents or employees.

Section 5. Resignations. Any officer may resign at any time by giving written notice to the Chairman of the Board of Directors, the Chief Executive Officer, the President, or the Secretary. Any such resignation shall take effect upon receipt of such notice or at any later time specified therein, and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

Section 6. Vacancies. Any vacancy in any office for any cause may be filled for the unexpired portion of the term in the manner prescribed in these Bylaws for election or appointment to such office for such term.

Section 7. Chairman of the Board. The Chairman of the Board shall preside at all meetings of shareholders and at all meetings of the Board of Directors. The Chairman of the Board shall perform such other duties and have such other powers as, from time to time, may be assigned by the Board of Directors.

Section 8. Vice Chairman of the Board. The Vice Chairman of the Board shall act in the absence of the Chairman of the Board. The Vice Chairman of the Board shall perform such other duties and have such other powers as, from time to time, may be assigned by the Board of Directors.

Section 9. Chief Executive Officer. The Chief Executive Officer, subject to the control of the Board of Directors, shall have overall responsibility for the affairs of the Corporation, including responsibility for developing and attaining major corporate goals and implementing policies approved by the Board. In general, the Chief Executive Officer shall perform the duties and exercise the powers incident to the office of Chief Executive Officer and all such other duties and powers as, from time to time, may be assigned by the Board of Directors. In the absence or disability of the Chairman of the Board and Vice Chairman of the Board, the Chief Executive Officer shall preside at all meetings of the shareholders and the Board of Directors at which the Chief Executive Officer is in attendance.

Section 10. President. The President shall perform the duties and exercise the powers incident to the office of President and all such other duties and powers as, from time to time, may be assigned by the Board of Directors or the Chief Executive Officer. Subject to the control and

direction of the Board of Directors and the Chief Executive Officer, the President may enter into, execute and deliver any agreement, instrument or document in the name and on behalf of the Corporation.

Section 11. Vice Presidents. The Corporation shall have such Vice Presidents as the Board of Directors shall determine, which may include one (1) or more Executive Vice Presidents, Senior Vice Presidents, First Vice Presidents and/or other Vice Presidents. The Board of Directors shall designate one of the Vice Presidents (an Executive Vice President, if one has been appointed) to perform the duties and exercise the powers of the President in the absence or disability of the President. The Vice Presidents shall perform such duties and have such powers as the Chief Executive Officer, the President, or the Board of Directors may from time to time assign.

Section 12. Treasurer. The Treasurer shall have charge and custody of, and be responsible for, all funds and securities of the Corporation and shall deposit all such funds in the name of the Corporation in such banks or other depositories as shall be selected by the Board of Directors. The Treasurer shall upon request exhibit at all reasonable times the Treasurer's books of account and records to any of the Directors of the Corporation during business hours at the office of the Corporation where such books and records shall be kept; shall render upon request by the Board of Directors a statement of the condition of the finances of the Corporation at any meeting of the Board of Directors or at the annual meeting of the shareholders; shall receive, and give receipt for, moneys due and payable to the Corporation from any source whatsoever; and in general, shall perform all duties incident to the office of Treasurer and such other duties as from time to time may be assigned to the Treasurer by the Chief Executive Officer, the President, or the Board of Directors. The Treasurer shall give such bond, if any, for the faithful discharge of the Treasurer's duties as the Board of Directors may require. All acts affecting the Treasurer's duties and responsibilities shall be subject to the review and approval of the Corporation's chief financial officer.

Section 13. Secretary. The Secretary shall keep or cause to be kept in the books provided for that purpose the minutes of the meetings of the shareholders and of the Board of Directors; shall duly give and serve all notices required to be given in accordance with the provisions of these Bylaws and by the Act; shall be custodian of the records and of the seal of the Corporation and see that the seal is affixed to all documents, the execution of which on behalf of the Corporation under its seal is duly authorized in accordance with the provisions of these Bylaws; and, in general, shall perform all duties incident to the office of Secretary and such other duties as may, from time to time, be assigned to the Secretary by the Chief Executive Officer, the President, or the Board of Directors.

Section 14. Voting Corporation's Securities. Unless otherwise ordered by the Board of Directors, the Chairman of the Board, the Chief Executive Officer, the President and the Secretary, and each of them, are appointed attorneys and agents of the Corporation, and shall have full power and authority in the name and on behalf of the Corporation, to attend, to act, and to vote all stock or other securities entitled to be voted at any meetings of security holders of corporations, or associations in which the Corporation may hold securities, in person or by proxy, as a stockholder or otherwise, and at such meetings shall possess and may exercise any and all rights and powers incident to the ownership of such securities, and which as the owner

thereof the Corporation might have possessed and exercised, if present, or to consent in writing to any action by any such other corporation or association. The Board of Directors by resolution from time to time may confer like powers upon any other person or persons.

ARTICLE VII

Indemnification

Section 1. Indemnification of Directors, Officers, Employees and Agents. Every person who is or was a Director, officer, employee or agent of this Corporation or of any other corporation for which such person is or was serving in any capacity at the request of this Corporation shall be indemnified by this Corporation against any and all liability and expense that such person may incur in connection with or resulting from or arising out of any claim, action, suit or proceeding, provided that such person is wholly successful with respect thereto or acted in good faith in what such person reasonably believed to be in or not opposed to the best interest of this Corporation or such other corporation, as the case may be, and, in addition, in any criminal action or proceeding in which such person had no reasonable cause to believe that his or her conduct was unlawful. As used herein, "claim, action, suit or proceeding" shall include any claim, action, suit or proceeding (whether brought by or in the right of this Corporation or such other corporation or otherwise), civil, criminal, administrative or investigative, whether actual or threatened or in connection with an appeal relating thereto, in which a Director, officer, employee or agent of this Corporation may become involved, as a party or otherwise,

- (i) by reason of such person's being or having been a Director, officer, employee, or agent of this Corporation or such other corporation or arising out of his or her status as such or
- (ii) by reason of any past or future action taken or not taken by such person in any such capacity, whether or not such person continues to be such at the time such liability or expense is incurred.

The terms "liability" and "expense" shall include, but shall not be limited to, attorneys' fees and disbursements, amounts of judgments, fines or penalties, and amounts paid in settlement by or on behalf of a Director, officer, employee, or agent, but shall not in any event include any liability or expenses on account of profits realized by such person in the purchase or sale of securities of the Corporation in violation of the law. The termination of any claim, action, suit or proceeding, by judgment, settlement (whether with or without court approval) or conviction or upon a plea of guilty or of *nolo contendere*, or its equivalent, shall not create a presumption that a Director, officer, employee, or agent did not meet the standards of conduct set forth in this paragraph.

Any such Director, officer, employee, or agent who has been wholly successful with respect to any such claim, action, suit or proceeding shall be entitled to indemnification as a matter of right. Except as provided in the preceding sentence, any indemnification hereunder shall be made only if

- (i) the Board of Directors acting by a quorum consisting of Directors who are not parties to or who have been wholly successful with respect to such claim, action, suit or proceeding shall find that the Director, officer, employee, or agent has met the standards of conduct set forth in the preceding paragraph; or
- (ii) independent legal counsel shall deliver to the Corporation their written opinion that such Director, officer, employee, or agent has met such standards of conduct.

If several claims, issues or matters of action are involved, any such person may be entitled to indemnification as to some matters even though he is not entitled as to other matters.

The Corporation may advance expenses to or, where appropriate, may at its expense undertake the defense of any such Director, officer, employee, or agent upon receipt of an undertaking by or on behalf of such person to repay such expenses if it should ultimately be determined that such person is not entitled to indemnification hereunder.

The provisions of this Section shall be applicable to claims, actions, suits or proceedings made or commenced after the adoption hereof, whether arising from acts or omissions to act during, before or after the adoption hereof.

The rights of indemnification provided hereunder shall be in addition to any rights to which any person concerned may otherwise be entitled by contract or as a matter of law and shall inure to the benefit of the heirs, executors and administrators of any such person.

The Corporation may purchase and maintain insurance on behalf of any person who is or was a Director, officer, employee or agent of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation against any liability asserted against such person and incurred by such person in any capacity or arising out of his or her status as such, whether or not the Corporation would have the power to indemnify such person against such liability under the provisions of this Section or otherwise.

ARTICLE VIII

Amendments

Except as expressly provided herein or in the Articles of Incorporation, the Board of Directors may make, alter, amend or repeal these Bylaws by an affirmative vote of a majority of the actual number of Directors elected and qualified.
